From Our Clients' Perspective

"I can't say enough about our experience at WestGate Academy for our son's wedding over this past weekend. The staff was so helpful and our guests raved about the comfort of the reception room! I would recommend WestGate Academy to anyone thinking about a wedding or any kind of event! Thank you to all of the WestGate Academy employees!"

Mother of the Groom – Summers Wedding 7/23/16

"WestGate was the perfect location for our wedding reception! From the moment I first visited WestGate to tour the facility, Alex and the other staff were always so easy to get a hold of and answered emails in a very timely manner. Alex and the staff were so organized and made planning the reception a breeze. The facility is very new and is beautiful. There is plenty of parking and it is handicap accessible. Alex and the other staff were there to make sure that all of the vendors arrived at the venue and set up at the expected time and made sure that the set up and reception went flawlessly. I highly recommend WestGate for a wedding reception, or any event, and I found our experience to be a great one. The facility is beautiful and Alex and the other staff are so helpful and kind!"
